Defendant/Respondent.)	

This matter comes before the Public Service Commission of South Carolina (“Commission”) on the request of Bobby Infinger (“Infinger”) for an extension of thirty (30) days to prefile testimony in this Docket and to amend the schedule for submittal of all other testimony due in this proceeding. According to Infinger, the extended allotment of time will afford the parties an opportunity to attempt to resolve the present complaint. Counsel for the other parties, DeltaCom, Inc. and the Office of Regulatory Staff, have confirmed to the Commission that they do not oppose Infinger’s request.

After due consideration, we find that allowing additional time for negotiation of a resolution in this matter is in the interest of all parties and hereby grant the request of Infinger. The prefiled direct testimony of Infinger shall be due thirty (30) days from the date of this Order. Further, we hereby direct the Commission Staff to amend, in concurrence with the due date for Infinger’s prefiled direct testimony, the due dates for all other prefiled direct testimony as well as the dates for the prefiling of rebuttal and

surrebuttal testimony. Lastly, the Staff is directed to reschedule the hearing in this matter, which is currently set for September 24, 2009, consistent with the new dates for the prefiling of testimony.
